

**Willet Builders, Inc. Continues New Capital Improvements for Williamsville Central School District**

BUFFALO, NY— Willett Builders, Inc., a full service construction firm comprised of contracting, construction management, and fabrication divisions is pleased with their ongoing work on a multi-year agreement with the Williamsville Central School District.

The scope of work involves capital improvements throughout eight buildings within the district, including upgrading and modifying several locker rooms, science labs, and art classrooms. In addition, new mechanical, electrical, and plumbing systems will be installed in each of the eight buildings. Further site work includes enhancements to drive ways and walk ways, as well as new electrical work to be completed for updated signage.

Funding was made possible through the New York State Education Department, which allocated over \$600M of its' FY 2018 capital spending toward education. Willett Builders, Inc. has a great depth of experience in construction projects within education, including Forestville, Albion, Sweet Home, & Perry School Districts, among others.
