

Willett Builders, Inc. to Continue Renovations on Amherst Central School District

BUFFALO, NY, April 1, 2019— Willett Builders, Inc., a full service construction firm comprised of contracting, construction management, and fabrication divisions is pleased to continue work with the Amherst Central School District.

The scope of work involves mechanical work to install new heating & cooling systems to both Amherst Central High School and Middle School buildings.

The firm takes pride in the modernization of Western New York schools, and this expansive project will have lasting results.

“We are honored to work with the Amherst Central School District,” said Willett Builders, Inc., owner Ryan Willett. “These capital repairs will improve the facilities within the district.”

With a district population of over 30,000, Amherst Central School District, the middle school enrolls almost 700 students, and the high school enrolls almost 900.
