

Willett Builders, Inc. Continues Complete Repurposing of Letchworth State Park South Pool Complex

BUFFALO, NY, April 1, 2019— Willett Builders, Inc., a full service construction firm comprised of contracting, construction management, and fabrication divisions is pleased with their ongoing repurposing of the Letchworth State Park South Pool Complex.

Letchworth State Park is one of the top attractions in the state of New York, nicknamed the “Grand Canyon of the East.” Letchworth has received several accolades for its magnificent grounds and abundance of activities available to visitors.

The scope of work includes repurposing the south pool complex--demolishing the existing swimming pool, deck, and filter room and constructing a new interactive recreational play area.

“Letchworth State Park is one of New York State’s treasures,” said Willett Builders, Inc., owner Ryan Willett. “It is an absolutely breathtaking park which brings thousands of visitors each year to the region. Being able to be a part of this project will be an achievement that our firm will take a lot of pride in.”
